

The Frightful First World War – Bravery Medal

Cut out a rectangle of card about 4cm by 12cm and fold it in the middle of the long edge

Spread glue over one half and press together the two sides to make a small strong rectangle.

Cut a narrow strip of metallic/yellow card and stick to the bottom of your folded card as in the example.

Draw around a small circular object onto metallic card and cut out. Stick a coin onto the metallic card.

Stick some ribbon pieces onto the folded card in rows.

Attach metallic bar to the folded rectangle with one or two pieces of Sellotape

Find a nice box and some material to act as a presentation case.
