

Plundering Pirates – Father's Day Card

Throughout history there have been groups of people who made their living by preying on cargo boats. The earliest known pirates were the Sea Peoples, a group of ocean raiders who attacked the ships of the Aegean and Mediterranean civilisations.

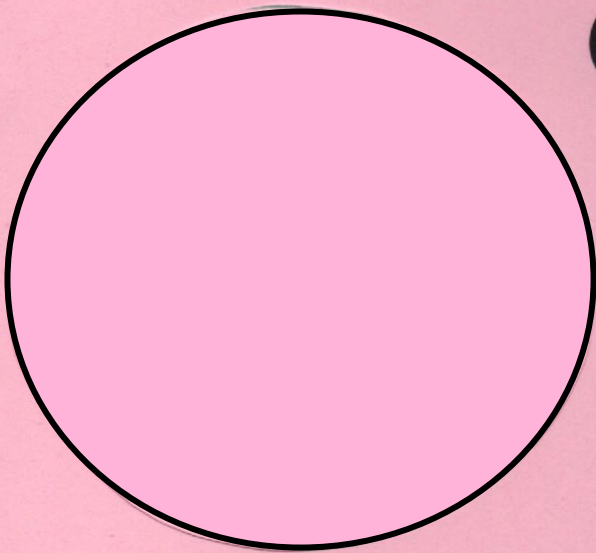

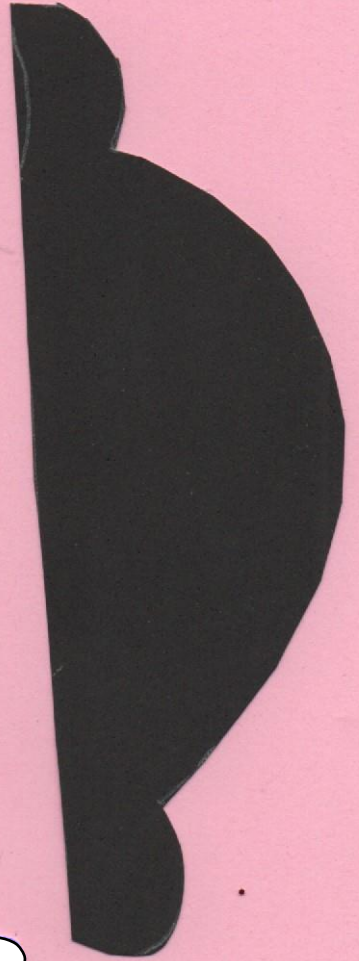

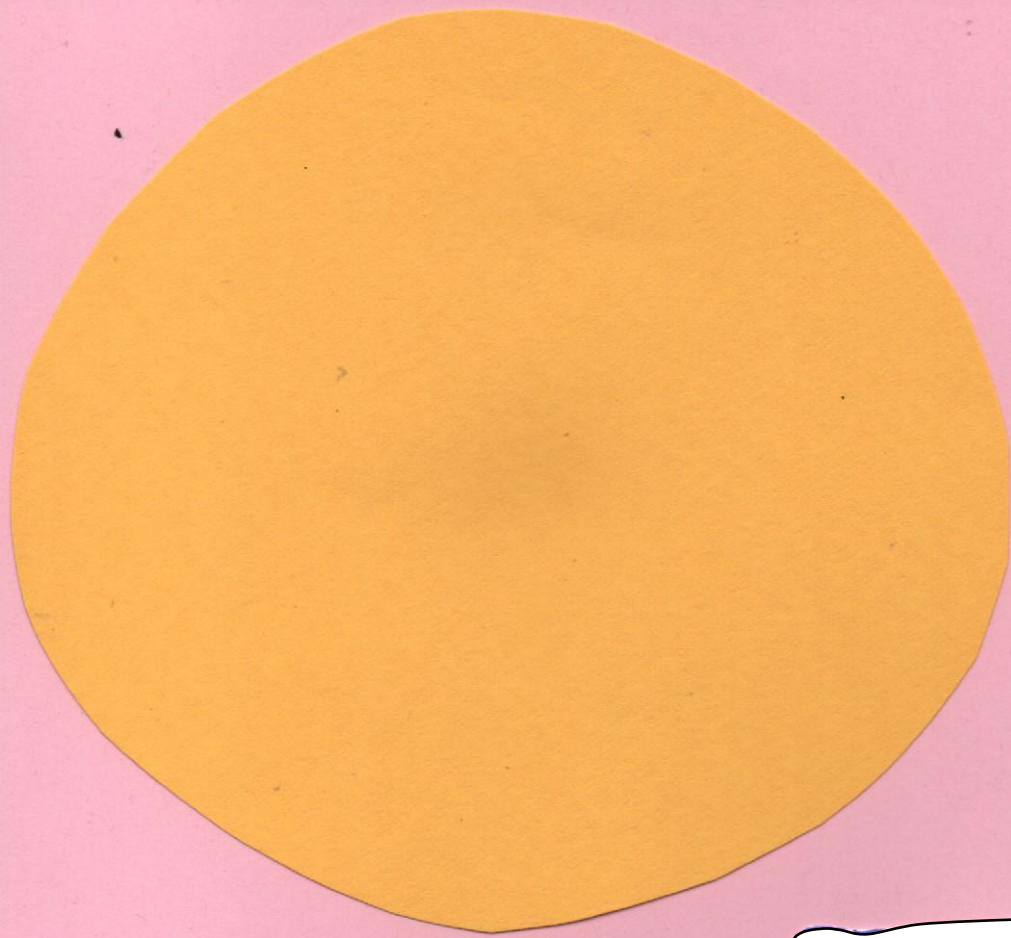

Pirate Father's Day Card

You will need:

A4 coloured card, white A4 paper or card, pens and Pritt.

- 1) Print shapes onto white paper or card and cut out.
- 2) Stick words at the bottom of the folded A4 coloured card
- 3) Stick yellow oval above the words and add the other pirate pieces to make up his face (use biro and felt pens to add details).
- 4) Write a greeting inside your card.
